RECOMMENDATIONS

Recommendations for employment, college admissions, scholarships and other awards should be **requested well in advance (2-3 weeks) of application deadlines**. You should provide a complete resume to each person completing a recommendation. See Mrs. Bachman if you need help in preparing the resume. Depending on specific requirements, you should request recommendations from people who know you best. Sending a note of thanks to the people making your recommendations is appropriate.

A deadline is the final day that an application may be submitted and accepted. You can always submit an application early but it may not be submitted late. Remember there is a big difference between “postmarked by” and “due by”.
